

LANDSCAPES

You Dream World Class Living  
and We lead the path to  
your Dreams

A well-designed, planned and executed project of residential plots adopted with modern living requirements.

Landscape presents a world class living experience by providing a finest residential facility in the midst of Sarjapur extension.

A marvelous development for you and your loved ones who wish to extract the most out of a great living environment at an affordable price, and stay away from the city hurdles, noise and pollution, maintaining at most connectivity and ease of access to city.

Landscape combines all the amenities you need for maintaining a work -life balanced living system.

Landscape is wisely designed so as to obtain the feel of a village atmosphere and stay close to nature.

Landscape is a platform of opportunities where you can make your dreams come true and strengthen the base of your happy living.

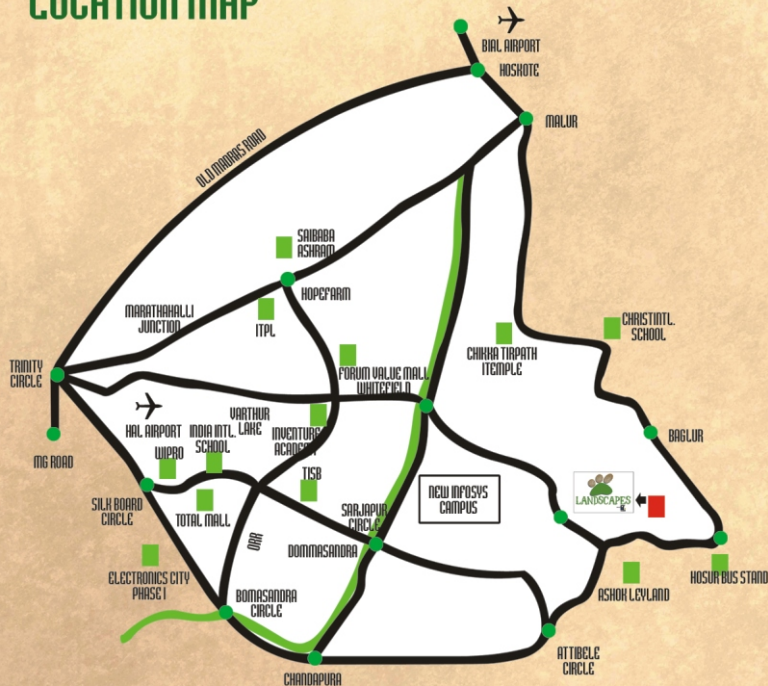

Sarjapur Extension is a fast developing location and lot of upcoming developments will bring the value of the land to heights.

Land scape is ideal for its connectivity to major areas like Electronics city, Koramangala, and Whitefield which provides easy access to the key IT and industrial hub of Bangalore.

Sharing neighbour hood with Karnataka housing boards township will give additional benefits in accessing infrastructures and amenities.
